SUMMARY

Certified Marketing Professional (CPM) and senior digital product and experience leader with 15+ years owning customer-facing digital ecosystems end to end, the same discipline this role applies to members. Proven at turning fragmented touchpoints across web, CRM and campaigns into one coherent experience aligned to the full lifecycle. Owns product roadmaps and the adoption and engagement outcomes that follow, sets UX and accessibility standards, brings a structured approach to customer and member data and governance, and leads the ethical, practical use of AI in customer-facing products. Comfortable both hands-on and influencing at board and executive level.

CORE CAPABILITIES

Digital product ownership: roadmaps, prioritisation, adoption and engagement outcomes, product-led ways of working

Customer and member experience: lifecycle mapping, service design, self-service portals, journey optimisation

UX strategy & governance: accessibility (WCAG), navigation, content discoverability, design standards

Data, insight & governance: analytics and experimentation, customer and member insight, data governance and privacy

AI in customer-facing products: ethical and transparent application, human-centred design, MIT design-thinking method

Platforms: CRM, CMS and headless architecture, self-service portals, content and martech ecosystems

Leadership: multidisciplinary teams, vendor and agency management, senior stakeholder engagement

PROFESSIONAL EXPERIENCE

Creative & Digital Experience Director

AVJennings, Sydney · April 2018 – September 2025

- Owned the digital product roadmap across the full customer lifecycle, discovery, lead generation, consideration, purchase and post-sale, aligning digital investment with commercial and customer outcomes.
- Led the redesign and migration from a legacy Sitecore CMS to a modern headless architecture, orchestrating external partners and internal teams while retaining clear platform ownership.
- Set UX strategy and governance: embedded research, usability testing and accessibility (WCAG) practice, and established standards for navigation, content discoverability and design consistency.
- Established governance frameworks across content, publishing, brand compliance and accessibility, extending toward data quality and governance.
- Drove data-led optimisation with analytics, heatmaps and A/B testing, lifting engagement, self-service behaviour and conversion across the ecosystem.
- Introduced customer-facing digital products and tools, including AI-driven content and assistant experiences, applied ethically and with a human-centred bias.
- Built and led an in-house multidisciplinary team across UX, design, content and digital, reducing agency reliance and improving speed to market.

Chief Digital Officer & Board Member (Limited Capacity)

Plasmatic, Singapore · March 2024 – Present

- Shape product positioning, experience strategy and roadmap for an early-stage platform, partnering with founders and engineers.
- Provide board-level guidance across digital strategy, governance and go-to-market, aligning technology, customer value and growth.

Head of Creative Services, Asia Pacific

PageGroup, Singapore / Sydney · June 2014 – March 2018

- Led regional digital, brand and content initiatives across APAC, supporting customer acquisition, engagement and retention.

- Delivered large-scale digital platforms used across multiple markets, and transformed a production function into a strategic, multidisciplinary team.
- Worked closely with marketing, CRM and digital teams to align customer journeys, content strategy and performance metrics.

Co-Founder / Creative Director

Infigo, Singapore · December 2013 – June 2015

- Co-founded a mobile-first service platform; led product strategy, UX/UI and iterative MVP development.
- Secured USD 50,000 seed funding through the Start-Up Chile accelerator.
