SUMMARY

Certified Marketing Professional (CPM) with 15+ years' experience leading brand, marketing and digital experience as a single, integrated system. Proven at setting strategy across brand and acquisition, engagement and retention, and digital experience — then connecting it to execution through high-performing, multidisciplinary teams. Combines deep digital-experience craft (UX, content, automation, analytics and optimisation) with a track record of building in-house capability that reduces agency dependency, and hands-on use of AI and automation to lift efficiency and customer impact. Comfortable advising executive and board stakeholders in regulated, customer-first environments.

PROFESSIONAL EXPERIENCE

Creative & Digital Experience Director

AVJennings, Sydney · April 2018 – September 2025

Brand & Acquisition

- Built and led an in-house marketing, creative and digital function across ANZ — reducing agency dependency while improving speed to market, brand consistency and quality.
- Developed and activated brand and value-proposition campaigns and modernised acquisition journeys, lifting engagement, web traffic and lead quality; delivered award-winning brand work (Brandie Awards incl. Best Community Branding, Reader's Digest Marketing Awards, International Property Awards).

Engagement & Retention

- Owned the experience roadmap across acquisition, conversion and retention, using behavioural insight, experimentation and lifecycle communications to build customer confidence at key decision moments.
- Integrated analytics, A/B testing and performance metrics to drive continuous improvement across owned, earned and paid channels.

Digital Experience

- Led the end-to-end redesign and migration of the corporate and project websites to a modern headless CMS (Storyblok), embedding UX governance, accessibility (WCAG) and SEO best practice.
- Launched customer-facing digital products across the full journey and applied AI and automation to content and service tools to lift efficiency and experience quality.

Leadership & Operating Model

- Provided strategic, commercially grounded advice to executive and board stakeholders, aligning brand, campaign and platform investment with business objectives.
- Led, coached and developed multidisciplinary teams across marketing, design, content and digital, and managed agency, platform and vendor partners to deliver measurable value.

Chief Digital Officer & Board Member (Limited Capacity)

Plasmatic, Singapore · March 2024 – Present

- Board-level leadership for an early-stage fintech software company — brand development, product marketing and go-to-market to support investor engagement, adoption and market credibility.
- Shape product positioning, digital experience and marketing-technology decisions, and provide governance and innovation guidance at board level within the financial-services sector.

Head of Creative Services, Asia Pacific

PageGroup, Singapore / Sydney · June 2014 – March 2018

- Led the regional transformation of a production studio into a strategic, multidisciplinary marketing and creative function across APAC.
- Delivered regional content, video and digital strategies that increased engagement and brand visibility; built and mentored high-performing teams across markets.

Co-Founder / Creative Director

Infigo, Melbourne / Singapore · December 2013 – June 2015

- Co-founded a mobile-first hospitality service product; led brand, UX/UI and product strategy through iterative MVP development.
- Selected into the highly competitive Start-Up Chile accelerator (single-digit acceptance) — seed-funded to launch the product.
